Where a trophy is associated with an event, you'll be presented with the trophy as well as your pots, and are very welcome to have photos taken with it near the trophy tent. However, trophies may not be taken away from the regatta.

Plate events are provided for J14 and WJ14 oct and quad events. These give an opportunity for crews which lose in a first race to race again. Winners of Plate events are awarded medals.

The Challenge8s format sees pairs of crews being timed in the first round. The fastest two crews then race the A final, the next two fastest the B final and so on. The winners of the A final get the pots. This format guarantees all entrants two races.
